Pitch, Hit & Run is a free event that creates a safe and fun environment for kids to stay active and learn or continue to play baseball and softball in their local communities.

Participation gives the athletes a chance to compete and earn a spot in a Team Championship or National Finals.

The Pitch, Hit & Run property is for boys and girls 7-14 years old and consists of a series of movements that are important in baseball and softball. Athletes will be tested, and their measurements will be recorded. Based on their scores, they will advance from a local event to a Team Championship and then to the National Finals
