### **YOUR DISTRICT DIRECTOR—YOUR SERVICE MANAGER**

*Every person who serves as an elected official of DYB is elected to SERVE the leagues. This is the one and only reason he holds office. Each league, therefore, is encouraged to take advantage of the services offered by each official. The District Director is generally the nearest official and certainly the most informed on matters dealing with a league and its need. We strongly suggest that league officials use the services offered by their District Director as their first move in obtaining help. Naturally, the State and National Directors from their state also stand ready to help, if needed. The Commissioner is also available to help.*
